Set in Northern Ontario amongst towering white pines on the shores of Lake Huron, Welcome Friend Association's Rainbow Camp® is the perfect place to come OUT, make new friends and develop skills through traditional and non-traditional camp programming.

Come to Rainbow Camp® where you:

- Experience a safe place to have fun
- Learn about gender, sexuality & health
- Discover who you are & where you belong
- Meet other queer youth
- Enjoy nature & the sand between your toes
- Sing around a campfire
- Go swimming & canoeing
- Do arts & crafts
- Deal with bullying and issues of self-esteem
- Learn to live confidently and authentically

More than anything, this camp is a fun place for LGBTQ2+ youth to *come out* and be themselves!

Registrations fees are low and subsidies are available.

We regret that the camp location is not fully wheelchair accessible.
